
The MSAD's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the Municipal Service Area Data (MSAD) may not be suitable for some uses. For more information on MSADs, and important non-system roads, this map was last updated on December, 2015. For additional information, visit http://www.ncdot.gov/travel/statemapping/ and click on Data Providers or contact us at (919) 815-8480.
