To Whom It May Concern:

Reference is made to the plans and proposal form previously furnished to you on this project.

This project was originally scheduled for an October 17, 2006 bid opening, It was decided to extend the advertisement, make some changes to the project and open bids on November 21, 2006.

The following revisions have been made:

Map No. 1 was eliminated from the project and the remaining maps have been renumbered. The base course quantity for original map No. 2 (renumbered Map No. 1) was inadvertently omitted. The quantities have been revised to reflect these changes. Also an item of "Sediment Control Stone" has been added.

In view of the above noted revisions, we are sending you a new proposal and new plans. Please destroy the plans and proposal originally provided to you.

The Expedite file has been updated to reflect these revisions. Please download the New Expedite file for this project listed with the November 21, 2006 letting which contains the corrected quantities. Bid Express will not accept your bid unless the New Expedite file is used.
