

PROJECT SPECIAL PROVISIONS
Utility Construction

All proposed utility construction shall meet the applicable requirements of the Department of Transportation's "Standard Specifications for Roads and Structures" dated July 2006. Division 15 of the Standard Specifications is revised as follows:

Page 15-1, Paragraph 4

Provide access for Department personnel and the owner's representatives to all phases of construction. Notify Department personnel and the utility owner two weeks prior to commencement of any work and one week prior to service interruption. Keep utility owner's representatives informed of work progress and provide opportunity for inspection of construction and testing. *The water lines and sanitary sewer lines on this project belong to the City of Lexington. The owner's representative is Mr. Rick Comer who can be reached by telephone at (336) 248-3930.*

Page 15-10

Change: **Fire Hydrants**
To: **(D) Fire Hydrants**

Owner's Requirements

The City of Lexington will provide new fire hydrants where the utility construction plans call for proposed or relocated fire hydrants. Existing fire hydrants removed from the system will remain the property of the City of Lexington. The Contractor shall stockpile the existing fire hydrants and contact the owner's representative to arrange the time and location for pickup. The City of Lexington will make the new fire hydrants available to the Contractor upon request.

PROJECT SPECIAL PROVISIONS

Utility

UTILITIES BY OTHERS

General:

The following utility companies have facilities that will be in conflict with the construction of this project.

- A) Duke Energy Corp. (Distribution)
- B) City of Lexington Electric Dept. (Distribution)
- C) City of Lexington Gas Dept. (Distribution)
- D) Lex Com - Telephone

The conflicting facilities of these concerns will be adjusted prior to the date of availability, unless otherwise noted and are therefore listed in these special provisions for the benefit of the Contractor. All utility work listed herein will be done by the utility owner. All utilities are shown on the plans from the best available information.

The Contractor's attention is directed to Article 105-8 of the Standard Specifications.

Utilities Requiring Adjustment:

- A) Duke Energy Corp. (Distribution)

- 1) See Utilities by Others Plans.

NOTE: Duke Energy will remove all of their power lines from the limits of the project and the City of Lexington Electric Department will replace those services as part of their relocations within and outside of the project limits.

- B) City of Lexington Electric Dept. (Distribution)

- 1) See Utilities by Others Plans.

- C) City of Lexington Gas Dept. (Distribution)

- 1) See Utilities by Others Plans

NOTE: The contractor shall give the City of Lexington Gas Department one week notice prior to the installation of the drainage along Line -L- from Station 12+15 to Station 14+42 and allow the City of Lexington Gas Department one week to make the necessary adjustments to the gas lines as shown on the plans.

D) Lex Com – Telephone

1) See Utilities by Others Plans

NOTE: All other utilities will remain in place and will be adjusted as necessary.
