

PROJECT SPECIAL PROVISIONS

Utility

UTILITIES BY OTHERS:

General:

The following utility companies have facilities that will be in conflict with the construction of this project.

- A) Embarq - Telephone
- B) Duke Energy - Power Distribution

The conflicting facilities of these concerns will be adjusted prior to the date of availability, unless otherwise noted and are therefore listed in these special provisions for the benefit of the Contractor. All utility work listed herein will be done by the utility owner. All utilities are shown on the plans from the best available information.

The Contractor's attention is directed to Article 105-8 of the Standard Specifications.

Utilities Requiring Adjustment:

A) Embarq - Telephone

- 1) Embarq will abandon a portion of its underground lines along NC 8 south, to and across the intersection with NC 89. This service will be relocated to permanent aerial locations as shown on the Utilities by Others Plans by date of availability.
- 2) Embarq will rebury a portion of the underground service along NC 89 near the intersection with NC 8, to accommodate the proposed toe protection design as shown on the Utilities by Others Plans by date of availability.
- 3) Contact person for Embarq is Mr. Lee Price at 336-427-4444.

B) Duke Energy – Power Distribution

- 1) Electrical service originating from an existing power substation, running north along NC 8 to an area near the intersection of NC 8 and NC 89, is to be removed, by date of availability.
- 2) Contact person for Duke Energy is Mr. Ted J. Plummer at 336-917-2557.
