

PROJECT SPECIAL PROVISIONS

Utility

UTILITIES BY OTHERS:

General:

The following utility companies have facilities that will be in conflict with the construction of this project.

- A) Verizon - Telephone
- B) Duke Power - Power Distribution

The conflicting facilities of these concerns will be adjusted prior to the date of availability, unless otherwise noted and are therefore listed in these special provisions for the benefit of the Contractor. All utility work listed herein will be done by the utility owner. All utilities are shown on the plans from the best available information.

The Contractor's attention is directed to Article 105-8 of the Standard Specifications.

Utilities Requiring Adjustment:

A) Verizon - Telephone

- 1) Verizon will remove their poles and overhead lines and relocate their lines to new underground locations by directional bores and trenching as shown on the Utility by Others Plans prior to date of availability.
- 2) Contact consultant for Verizon is Mr. Fred High at 919-812-2499.

B) Duke Power – Power Distribution

- 1) The existing poles and power lines in the vicinity of the proposed bridge and -L- line are not in conflict with the proposed construction. However, should the Contractor determine a conflict exist with this line, Duke Power should be contacted.
- 2) Contact person for Duke Power is Mr. Craig Parks at 828-223-2819.
