RE: Withdrawal of Certain Projects from the December 20, 2011 Highway Letting

To Whom It May Concern:

On September 30, 2011 the U.S. Department of Labor (USDOL) published and put into effect new Davis Bacon Wage Determinations. These new Wage Determinations are applicable to the below listed projects. The NCDOT has concerns about these updated wage determinations and is continuing to work with the USDOL to resolve our issues. The NCDOT has therefore decided to withdraw the below listed projects from the December 20, 2011 letting. These projects will be re-advertised at a later date.

B-4416	Beaufort	C202728	U-5168	Onslow	C202576
B-4542	Harnett	C202732	B-4498	Davidson	C202738

Please destroy any plans and proposal documents previously provided to you on these projects and re-order when the projects are re-advertised. You will not be invoiced for any plans and proposal documents you previously ordered for the above listed projects.

Sincerely,

R. A. Garris, PE
Contract Officer
