Addendum No. 2

RE: Contract # C204020

WBS # 44973.3.3

F. A. # NC FLAP DOT OIMMT(1)

Hyde, Dare Counties (F-5702C)

Construction Of One Passenger Ferry

May 16, 2017 Letting

To Whom It May Concern:

Please Note: The Bidder does not need a NC General Contractors license to bid this project. However, they will be required to furnish proof of licensure and/or certifications to build passenger vessels of the size and type, as described in the Contract Drawings and Specifications, by the state in which they are performing the work and the United States Coast Guard.

Reference is made to the Supporting Documents posted on the web in the Directory titled "Items For Posting". Support Document 16109-003-300-0 "Electrical Load Analysis" is being replaced with 16109-003-0A to reflect non-parallel electrical control for the generators.

Reference is made to the plans and proposal form furnished to you on this project.

The following revisions to the plans are anticipated and will be made available prior to contract signing with the "For Construction" set of drawings. The bidder shall account for these changes in their bid. No claims for additional time or compensation will be allowed due to these forthcoming revised drawings. Claims will be allowed if the changes substantially differ from what is listed below:

Sheet No.	Revisions
16109-003-110-0, 16109-003-120-0 and 16109-003- 130-0	Revised to add weld symbols. The weld symbols are being added to illustrate the welding standards as stated in the Construction Specifications and Technical Specifications
16109-003-320-0	Revised to reflect generators from parallel arrangement to non-parallel
