

**North Carolina Department of Transportation  
PROJECT ENVIRONMENTAL CONSULTATION FORM  
T.I.P. No. U-2809B**

**I. GENERAL INFORMATION**

- A. Consultation Phase: Construction
- B. Project Description: Widening of SR 1132 (Legion Road) from SR 1363 (Elk Road) to SR 1007 (Owen Drive), Fayetteville, Cumberland County
- C. Federal Project: STPNHF-70(43)  
WBS Element: 34865.1.1
- D. Document Type: EA April 8, 1999  
FONSI August 20, 2000  
FONSI Reevaluation September 2, 2008  
Right of Way Consultation May 25, 2010  
Construction Consultation April 26, 2012

**II. CONCLUSIONS**

The above environmental document has been reevaluated as required by 23 CFR 771. It was determined that the current proposed action is essentially the same as the original proposed action. Proposed changes, if any, are noted below in Section III. It has been determined that anticipated social, economic, and environmental impacts were accurately described in the above referenced document(s) unless noted otherwise herein. Therefore, the original Administrative Action remains valid.

**III. CHANGES IN PROPOSED ACTION AND ENVIRONMENTAL CONSEQUENCES**

Design:

This project is under construction. Since the last consultation was completed in 2012, one major change has occurred. Project W-5206I involves the construction of a roundabout at Legion Road, Camden Road, and Southern Ave. (see Figure 1). Project W-5206I is also adjacent to the end points of both STIP Project U-2809B and U-2810C (see Figure 1). There are two short pieces of roadway between the end of each TIP projects and the round-about project that are not currently included in any of the three projects. Therefore, both U-2809B and U-2810C will be extended so that they tie into the round-about project and do not leave a gap of roadway. While this is an extension for both projects, this is still within the original study area for STIP Project U-2809B. No additional right of way is required. There are no additional environmental impacts.

## Natural Resources:

There are no water resources located within the project area.

As of December 26, 2012, the U.S. Fish and Wildlife Service (USFWS) lists seven (7) federally protected species for Cumberland County (see Table 1). This list has not changed since the last consultation. The American alligator is listed as "threatened due to similarity of appearance," which indicates that this species is not biologically endangered or threatened. The Biological Conclusion of "No Effect" remains valid for the remaining six (6) species.

**Table 1: Federally Protected Species of Cumberland County**

Common Name	Scientific Name	Federal Status	Biological Conclusion
American alligator	<i>Alligator mississippiensis</i>	T(S/A)	N/A
Red-cockaded woodpecker	<i>Picoides borealis</i>	E	No Effect
St. Francis' satyr	<i>Neonympha mitchellii francisci</i>	E	No Effect
Pondberry	<i>Lindera melissifolia</i>	E	No Effect
Rough-leaved loosestrife	<i>Lysimachia asperulaefolia</i>	E	No Effect
Michaux's sumac	<i>Rhus michauxii</i>	E	No Effect
American chaffseed	<i>Schwalbea americana</i>	E	No Effect

"T(S/A)" – Threatened due to similarity of appearance.

"E" – Endangered (a species that is in danger of extinction throughout all or a significant portion of its range.)

## **IV. LIST OF ENVIRONMENTAL COMMITMENTS**

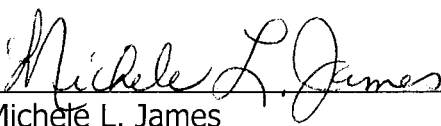

NCDOT will implement all practical measures and procedures to minimize and avoid environmental impacts. See attached list of Project Commitments.

## **V. COORDINATION**

Project Development and Environmental Analysis Unit personnel have discussed current project proposals with others as follows:

Design Engineer:	Sean P. Matuszewski	<u>10/6/14</u> Date
Permits Specialist:	James J. Rerko	<u>10/6/14</u> Date
FHWA Area Engineer:	Ron Lucas, PE	<u>9/29/14</u> Date

## **VI. NCDOT CONCURRENCE**

	<u>10/9/14</u>
Michele L. James Project Planning Engineer	Date

	<u>10/13/14</u>
Robert P. Hanson, PE, Eastern Region Unit Head Project Development and Environmental Analysis Unit	Date

## **VII. FHWA CONCURRENCE**

	<u>10-15-14</u>
Division Administrator Federal Highway Administration	Date

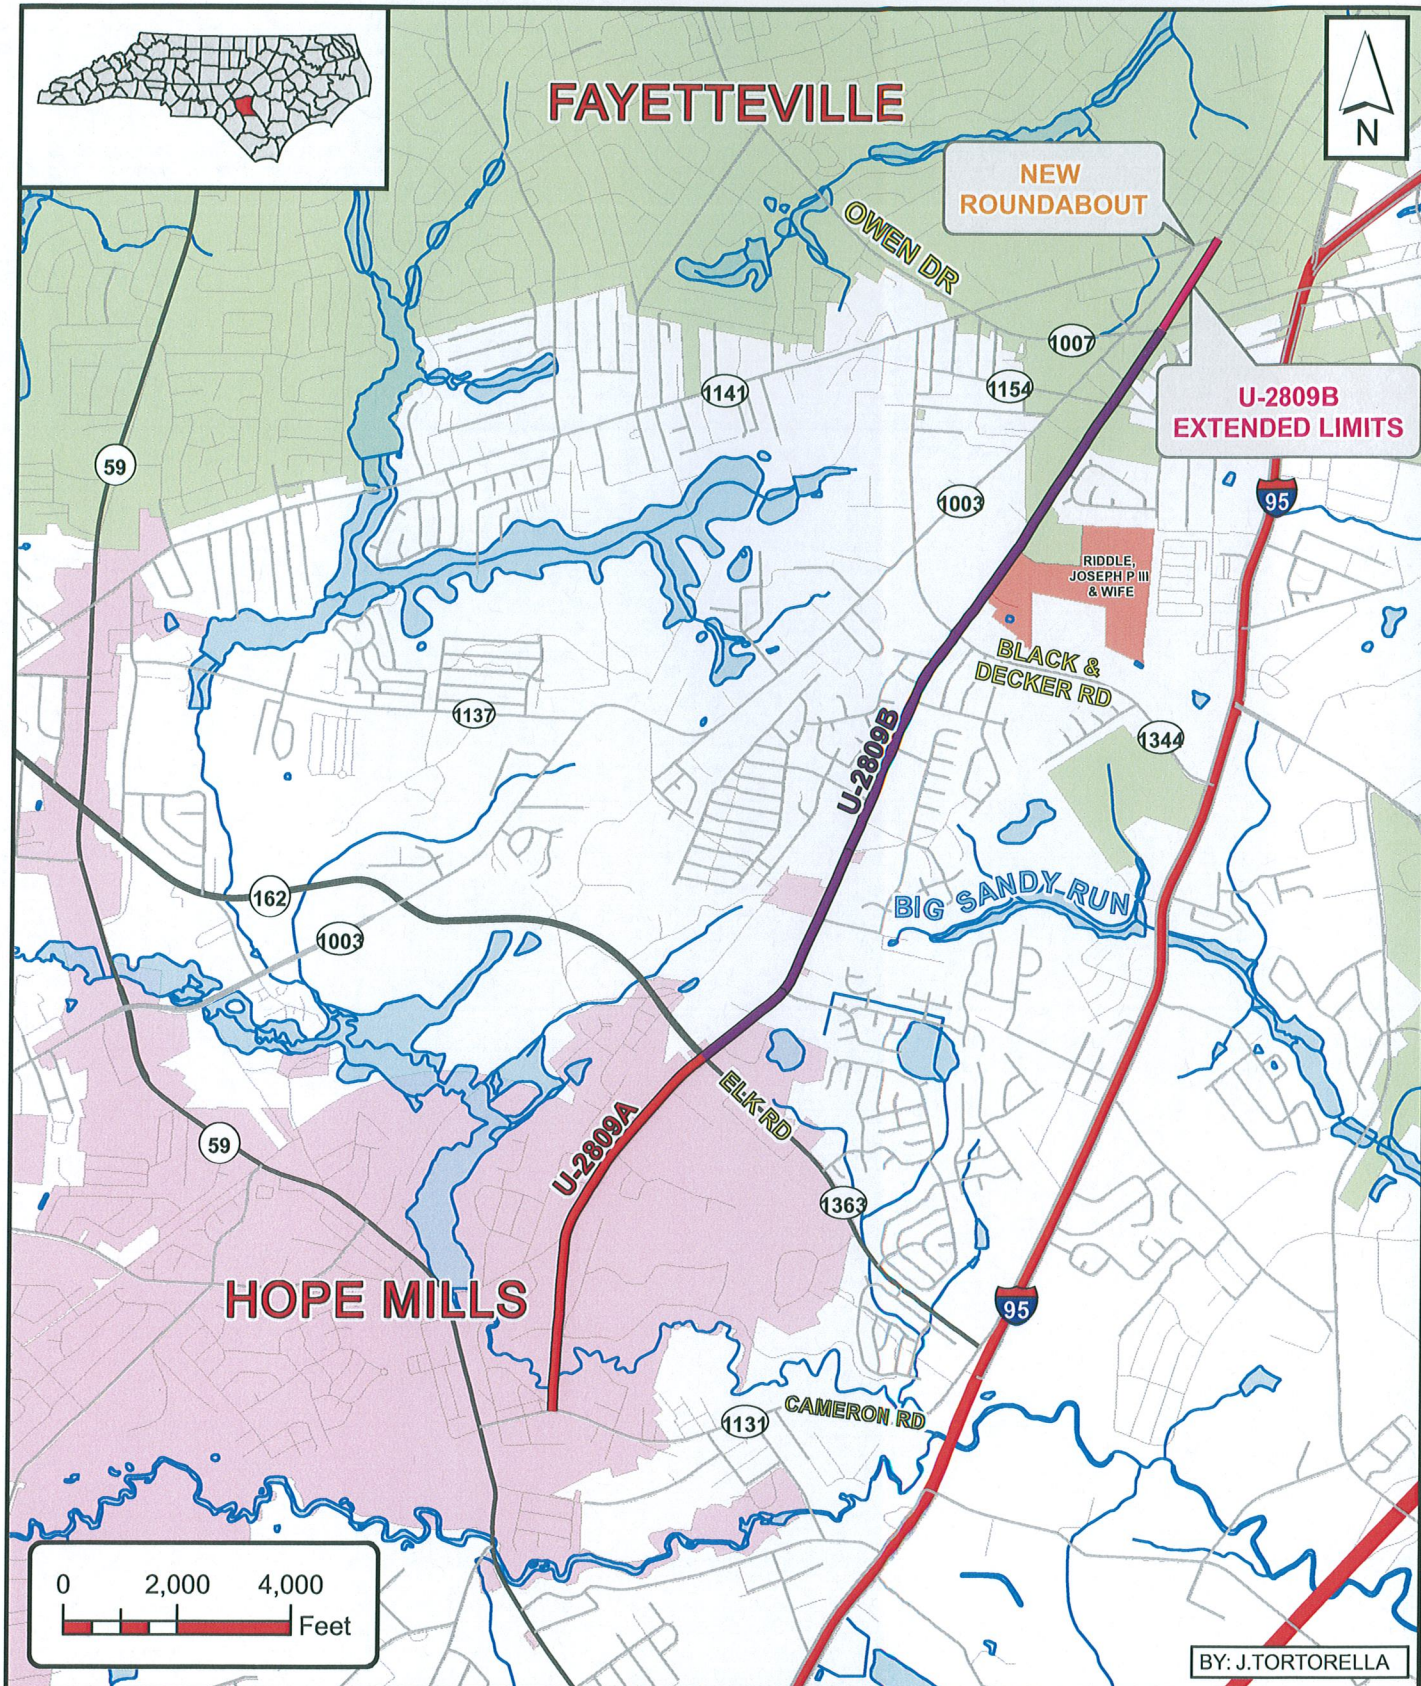

## **PROJECT COMMITMENTS**

**Widening of SR 1132 (Legion Road)**  
**From SR 1363 (Elk Road) to SR 1007 (Owen Drive)**  
Fayetteville, Cumberland County  
WBS Project 34865.1.1  
Federal Aid Project No. STPNHF-70(43)  
**TIP PROJECT U-2809B**

### **COMMITMENTS DEVELOPED THROUGH PROJECT DEVELOPMENT AND DESIGN**

There are currently no special commitments for this project.
