

HARKERS ISLAND BRIDGE REPLACEMENTS

BRIDGE NO. 73 AND NO. 96 OVER THE STRAITS - SR 1332/1335

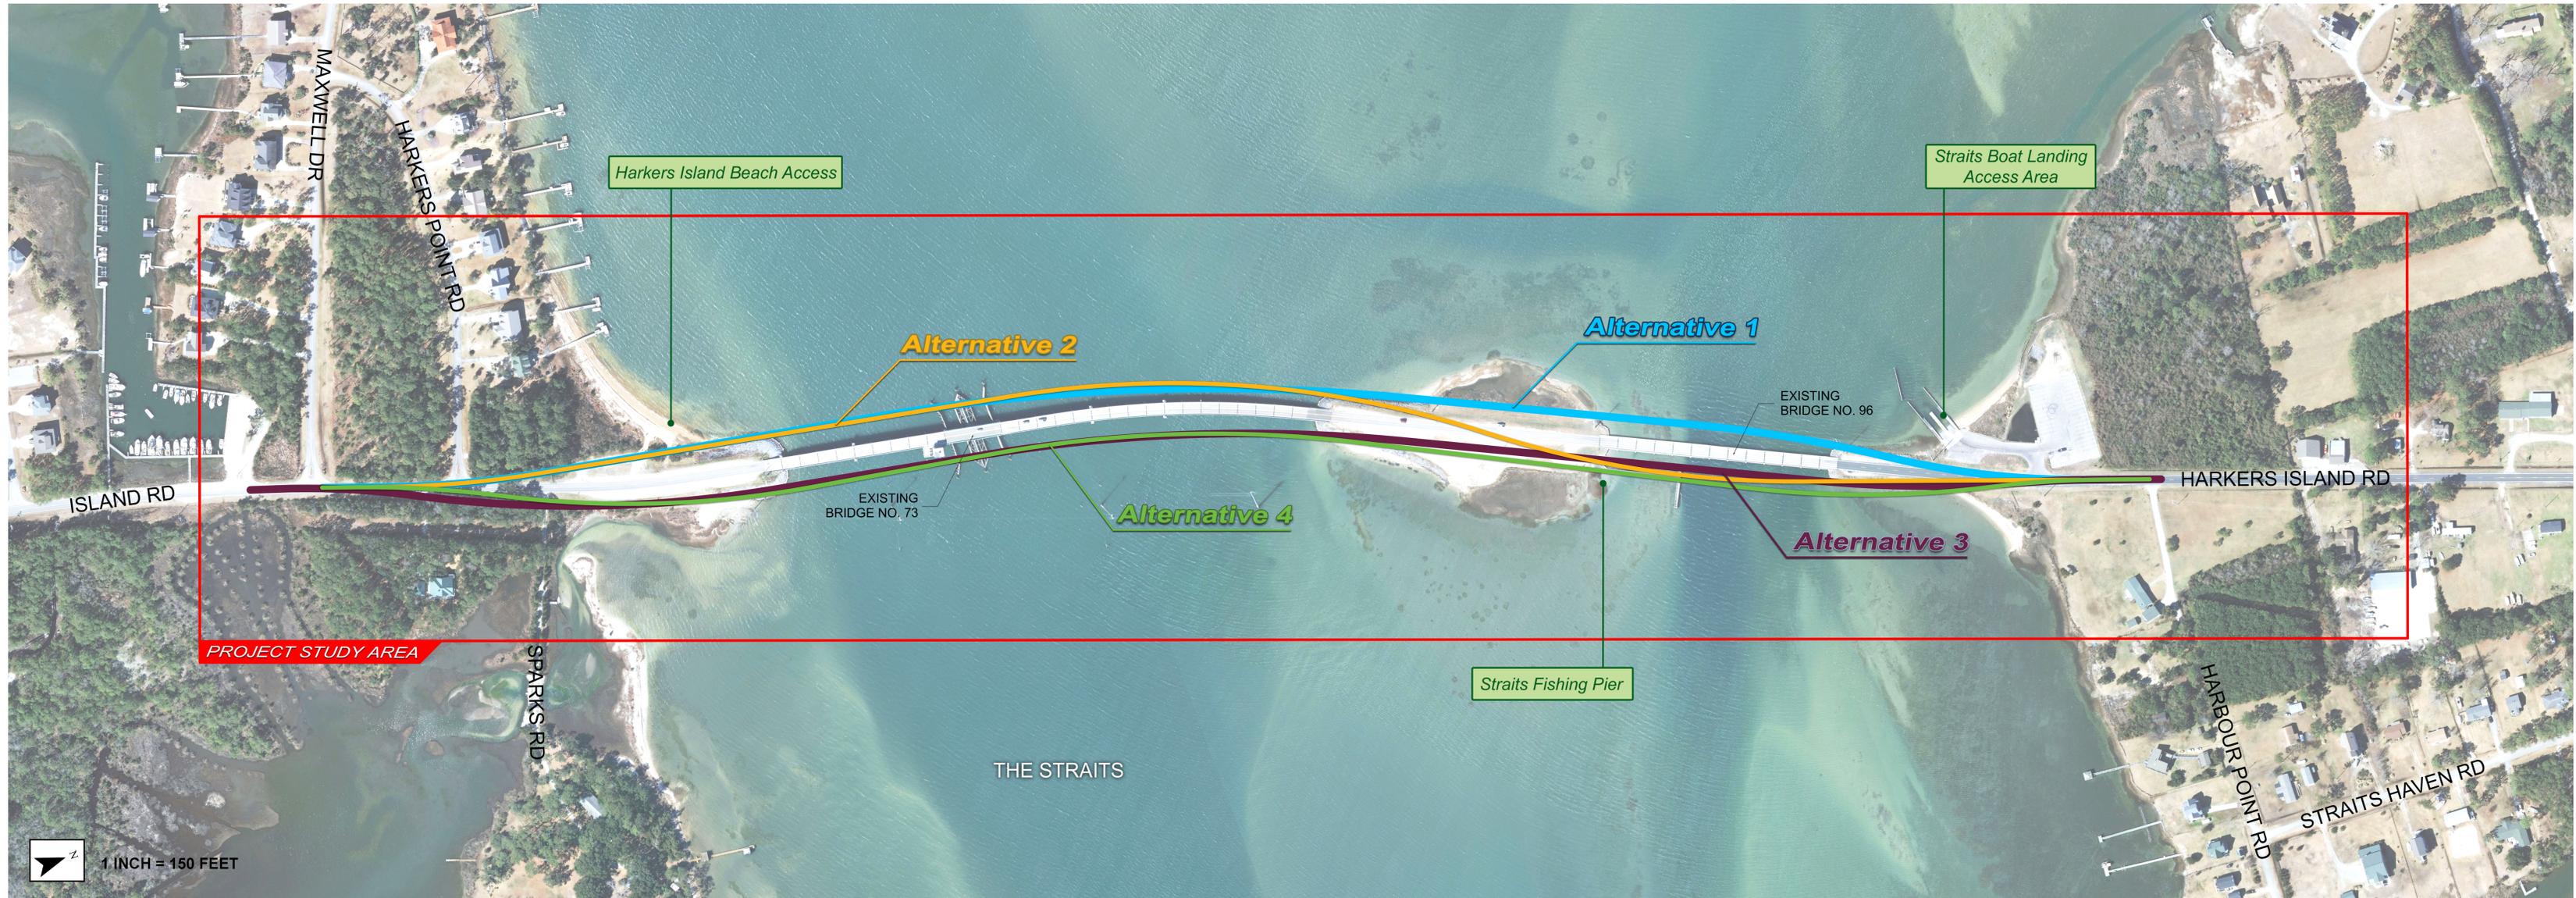

STIP B-4863

PROJECT OVERVIEW MAP

MARCH 14, 2016

RS&H

ALTERNATIVE 1

Alternative 1 would include two fixed-span bridges, each located to the west of the existing bridges, touching down on the center island.

ALTERNATIVE 2

Alternative 2 would include two fixed-span bridges, one located to the west of Bridge No. 73 and one located to the east of Bridge No. 96, touching down on the center island.

ALTERNATIVE 3

Alternative 3 would include two fixed-span bridges, each located to the east of the existing bridges, touching down on the center island.

ALTERNATIVE 4

Alternative 4 would include one fixed-span bridge, located to the east of the existing bridges. The center island would not have a roadway connection.
