

## LIST OF PREPARERS

This document was prepared by the FHWA and NCDOT, with assistance from a team of consulting engineers, scientists, and planners led by HNTB Corporation. This team includes the individuals listed in the table.

Name	Study Team Title	Education and Experience	Role in Final EIS Preparation
<b>Federal Highway Administration</b>			
Clarence Coleman	Preconstruction and Environmental Director	B.S., Civil Engineering 26 years of experience	Project management; document review
Felix Davila, PE	Preconstruction and Environmental Engineer	B.S., Civil Engineering 30 years of experience	Project management; Final EIS review
Mitch Batuzich	Transportation Planning and Environment Specialist	M.A., Industrial Relations B.A., Political Science 12 years of experience	Project management; Draft EIS review
James Martin	Federal Major Projects Specialist		Federal major project review
<b>Federal Highway Administration – Eastern Federal Lands</b>			
Michael Tessitore, PE	EFLHD Project Manager	M.S., Civil Engineering 11 years of experience	Project management; Document review
Lisa Landers	Environmental Protection Specialist	B.S., Biology 14 years of experience	Document review
<b>National Park Service – Blue Ridge Parkway</b>			
R. Steven Kidd, RPA	Cultural Resource Specialist/Archaeologist	M.S., Anthropology B.S., Anthropology 18 years of experience	Archaeology surveys and analysis; document preparation
Andy Otten	Project Specialist		Document review
<b>North Carolina Department of Transportation</b>			
Derrick Weaver, PE	Environmental Policy Unit Head		Project management; document review
Beverly Robinson, PE	Project Manager		Project management; document review
Kevin Moore, PE	Roadway Project Engineer	B.S., Civil Engineering 22 years of experience	Roadway design review
Mary Pope Furr	Historic Architecture Section Supervisor	Master of Architectural History B.S., Psychobiology/ Neurochemistry 21 years of experience	Historic architecture document review

Name	Study Team Title	Education and Experience	Role in Final EIS Preparation
Herman Huang, PhD	Community Planner	Ph.D., City and Regional Planning M.S., Environmental Science B.S., Chemistry 9 years of experience	Document review
Harrison Marshall	Community Studies Group Leader	Master of Urban & Environmental Planning Bachelor of Landscape Architecture 30 years of experience	Document review
Matt Wilkerson, CPM	Archaeology Group Leader	B.A., Anthropology 27 years of experience	Archaeology surveys and analysis; document preparation
Carla Dagnino	Environmental Coordination & Permitting Western Regional Manager		Document review
William A. Barrett	Environmental Senior Specialist	B.S., Marine Science 23 years of experience	Natural resource document review
Marissa Cox	Environmental Supervisor	B.S., Natural Resource Management 14 years of experience	Document review
Mike Sanderson	Environmental Senior Specialist	B.S. Fisheries and Wildlife Science 26 years of experience	Document review
Jennifer D. Martin, PE	Project Manager	B.S., Civil Engineering 29 years of experience	Project management; NEPA compliance/oversight
John Williams, PE (no longer with NCDOT)	Project Development Engineer	B.S., Civil Engineering 24 years of experience	Project management; document review
Undrea Major, PE (no longer with NCDOT)	Advanced Transportation Engineer	B.S., Civil Engineer 20 years of experience	Project management; document review
Bobby Dunn (no longer with NCDOT)	Traffic Noise and Air Quality Engineer	B.S., Mathematics 27 years of experience	Air quality impact analysis
Terry W. Fox, LG, CPG (no longer with NCDOT)	GeoEnvironmental Project Manager	B.S., Geology 43 years of experience	Hazardous materials survey and impact analysis; document preparation

Name	Study Team Title	Education and Experience	Role in Final EIS Preparation
Tris Ford (no longer with NCDOT)	Community Planner	B.S., Political Science Minor in City and Regional Planning Minor in Geography 15 years of experience	Document review
Steven D. Kendall, PE (no longer with NCDOT-Roadway)	Project Design Engineer	Associate of Applied Science, Civil Engineering 26 years of experience	Document review

HNTB Corporation			
Ken Gilland	Transportation Planning Manager	B.A., Geology 28 years of experience	Project management; document review
Jennifer Harris, PE, CPM	Senior Project Manager	B.S., Civil Engineering B.S., Environmental Engineering 19 years of experience	Project management; document preparation; NEPA analysis
Kat Bukowy, AICP	Project Manager	Master of Natural Resources Master of Public Administration B.S., Environmental Science 11 years of experience	Project management; document writer; GIS mapping; resource impact analysis
Paige Hunter, PE	Engineer	B.S., Civil Engineering 10 years of experience	Document writer; impact analysis; NEPA analysis; noise impact analysis
Adam Archual	Transportation Planner	B.A., Anthropology B.A., Geography Masters of Heritage Preservation 10 years of experience	Document writer; historic resource impact analysis; Section 4(f) Evaluation
Craig Scheffler, PE, PTOE	Senior Transportation Engineer	M.S., Civil Engineering B.S., Civil Engineering 20 years of experience	Traffic analysis
Harold "Trey" Jordan, PE	Engineer	M.S., Transportation Systems Engineering B.S., Civil Engineering 4 years of experience	Noise impact analysis; document preparation

Name	Study Team Title	Education and Experience	Role in Final EIS Preparation
Tracy Roberts, AICP	Senior Transportation Planner	Master of Public Administration B.S., Urban & Regional Planning 15 years of experience	Noise impact analysis
Matt Foster, PE, PLS	Hydraulics Group Manager	M.S., Civil Engineering B.S., Civil Engineering 26 years of experience	Hydraulic impact analysis; hydraulic modeling
Paul J. Barber, PE	Structures Group Manager	MS in Civil Engineering BS in Civil Engineering 36 years of experience	Structure design; impact analysis; document preparation
Joe Olson, PE	Roadway Design Department Manager	B.S. Civil and Environmental Engineering 29 years of experience	Roadway design preparation and coordination
Jeff Hess, PE	Deputy Project Manager, Roadway Engineer	B.S., Civil Engineering 20 years of experience	Roadway design; right of way impact analysis
Marc Whitmore, PE	Transportation Engineer	B.S., Civil Engineering 20 years of experience	Roadway design
Donna C. Keener, PE	Senior Transportation Engineer	B.S., Civil Engineering 30 years of experience	Cost Estimate Coordinator Initial Financial Plan

CALYX Engineers and Consultants, Inc.			
Heather Wallace	Environmental Project Manager	B.S., Ecology and Environmental Biology USFWS Recovery Permit - bats 18 years of experience	Document (Biological Assessment) writer; bat surveys; ESA Sect. 7 Consultation
Mark Mickley	Environmental Services Group Manager	B.S., Biology 14 years of experience	Document (Biological Assessment) review; QA/QC
Carolina Ecosystems, Inc.			
Phil May	Senior Project Manager	B.S., Biology 21 years of experience	Wetland and stream delineation, GPS data collection, document review
Brian Smith, PWS	Senior Scientist	M.S., Soil Science B.S., Biology 18 years of experience	Wetland and stream delineation, GPS data collection, document review

Name	Study Team Title	Education and Experience	Role in Final EIS Preparation
MdM Historical Consultants, Inc.			
Jennifer F. Martin	Historic Architecture Project Manager and Principal Investigator	M.A., History B.A., History B.A., Sociology 25 years of experience	Historic architectural surveys and analysis; document preparation
Cynthia de Miranda	Senior Architectural Historian	B.A., Public Policy Studies 23 years of experience	Historic architectural surveys and analysis; document preparation
Three Oaks Engineering, Inc.			
Mary Frazer	Biologist and Project Manager	Master of Environmental Management B.S., Zoology 27 years of experience	Document (Biological Assessment) writer; resource impact analysis (Appalachian elktoe)
Nancy Scott	Environmental Scientist	Master of Environmental Management B.S., Environmental Science 6 years of experience	Document (Biological Assessment) writer; GIS mapping
Tim Savidge	Aquatic Species Consultant	Master of Marine Biology/Biological Oceanography B.S., Biology 27 years of experience	Document reviewer; resource impact analysis (Appalachian elktoe)
