SUBJECT: Existing Right of Way Abstract

Per your request dated October 03, 2016, I have completed the right of way abstract for the above referenced project. The results are as follows:

350' North of Bridge over Linville River on SR 1349 (W Fork Rd):

Recommend we claim **35 feet (total)**, 17.5 feet each side of the centerline, based on maintenance.

350' South of Bridge over Linville River on SR 1349 (W Fork Rd):

Suggest we claim **35 feet (total)**, 17.5 feet each side of the centerline, based on maintenance.

Also, recommend we claim **60 feet (total)**, 30 feet each side of centerline on US-221 based on Right of Way agreements signed and recorded, dated 1967 (Avery County Register of Deeds). See attached.

If I can be of further assistance, please advise.
