

NCDOT Project U-2719
Level B/C SUE – I-440/US1 at Woods Place to Lake Boone Trail
Wake County, North Carolina
ESP Associates, P.A. Project Number FM50.013
Assignment: U2719-sue-esp

July 26, 2017

ESP's request for access to the existing railroad corridor on site was not processed before the project due date. Utilities within that area are mapped per record. Once access is granted, ESP will return to perform Level B SUE and will update project mapping.

SUMMARY OF EXISTING UTILITY FACILITIES

AT&T

Per Billy Griner - There are buried facilities in the project area. Records were provided.

Duke Energy Progress
