

**Water Service Stubout:**

**Description**

Service stubouts for future water service shall be provided at locations shown on the plans. Such stubouts shall be constructed as shown in the Water Service Stubout Detail. All requirements for water meters of Section 1515 of the Standard Specification apply, except that no meter shall be installed in the meter box, and no connection to customer facilities shall be made.

**Measurement and Payment**

Water Service Stubouts will be measured and paid for per each. Such price and payment will be full compensation for all work covered by this provision, including but not limited to furnishing all materials shown on the details, including corporation stops, tapping saddles, meter setters, and incidentals necessary to complete the work as required.

Payment will be made under:
