

PROJECT SPECIAL PROVISIONS
Utility Construction

Revise the *2006 Standard Specifications* as follows:

Utility Owners' Contact Information:

Page 15-1, Subarticle 1500-2 Cooperation with the Utility Owner, paragraph 2, add the following sentences:

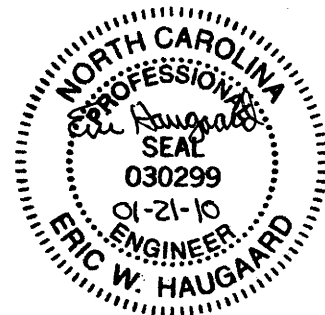

The Greenville Utilities Commission is owner of the 8" water facilities. The contractor must contact the owner before any work begins. Shutdown of GUC's water system is limited between the hours of 9:00 am and 3:00 pm. The contact person is Donny Hemby (phone: 252-551-3398).

Page 15-9, Subarticle 1515-2 Materials, add the following sentences:

The proposed utility construction shall meet the applicable requirements (i.e. material specifications, standard details, testing, policies, etc.) of the NCDOT's "Standard Specifications for Roads and Structures" (dated July, 2006) and GUC's "Manual for the Design and Construction of Water and Wastewater System Extension's for Greenville Utilities" (dated June, 2008).

Measurement and payment for work will be in accordance with NCDOT's "Standard Specifications for Roads and Structures" (dated July, 2006).

In addition to the water line materials specified under Section 1036, the water line can be High Density Polyethylene (HDPE) pipe conforming to AWWA C906 with an SDR of 9 and pressure rating of 200 # WP.

PROJECT SPECIAL PROVISIONS
Utility

UTILITIES BY OTHERS:

General:

The following utility companies have facilities that will be in conflict with the construction of this project:

- A. Greenville Utilities Commission – natural gas
Contact: Robert Norton...252-329-2170
- B. Greenville Utilities Commission – power
Contact: Chris Corey...252-551-1586
- C. Suddenlink – cable television
Contact: Detric Staton...252-757-2200
- D. CenturyLink – telephone
Contact: Ron Harper...252-355-5921
- E. Eastern Pines Water Corporation – water
Contact: Barry Sutton...252-752-7420

The conflicting facilities will be adjusted prior to date of availability except where noted and are listed in these special provisions for benefit of Contractor. All utility work listed herein will be done by utility owners. All utilities are shown on plans from the best available information. The Contractor's attention is directed to Article 105-8 of the Standard Specifications.
