

PROJECT SPECIAL PROVISIONS
Utility Construction

All proposed utility construction shall meet the applicable requirements of the NC Department of Transportation's Standard Specifications for Roads and Structures dated July 2006.

Revise the *2006 Standard Specifications* as follows:

Utility Owners' Contact Information:

Page 15-1, Subarticle 1500-2 Cooperation with the Utility Owner, paragraph 2, add the following sentences:

All water and sanitary sewer lines on this project belong to City of Jacksonville except for the 8" water line on the South Side of White Street which is owned by ONWASA.

The Contractor shall provide access for the owner's representatives to all phases of construction and keep all valves and meters accessible during construction. A preconstruction meeting shall be held with the City of Jacksonville and ONWASA, the Utility Contractor and D.O.T. prior to any work beginning. The Contractor shall notify the owners two weeks before commencement of any work and three weeks before service interruption.

The proposed utility construction shall meet the applicable requirements (i.e. material specifications, standard details, testing, policies, etc.) of the NCDOT's "Standard Specifications for Roads and Structures" (dated July, 2006) and the City of Jacksonville Manual of Specifications, Standards, and Design. A copy of this Manual is available in the Public Services Department at the City of Jacksonville City Hall.

Measurement and payment for the work shall be in accordance with NCDOT's "Standard Specifications for Roads and Structures" (dated July, 2006).

The contact person for City of Jacksonville is Mr. Michael Moore, he can be contacted at (910) 938-5249.

The contact person for Onslow Water and Sewer Authority (ONWASA) is Mr. Rod Butler, he can be contacted at (910) 937-7521.

The contractor shall provide a set of as-built plans to City of Jacksonville and ONWASA after all the work shown on the Utility Construction Plans is completed.
