

PROJECT SPECIAL PROVISIONS
Utilities by Others

UTILITIES BY OTHERS:

General:

The following utility companies have facilities that will be in conflict with the construction of this project.

A) Duke Energy - Power

The conflicting facilities of these concerns will be adjusted prior to the date of availability, unless otherwise noted and are therefore listed in these special provisions for the benefit of the Contractor. All utility work listed herein will be done by the utility owner. All utilities are shown on the plans from the best available information.

The Contractor's attention is directed to Article 105-8 of the Standard Specifications.

Utilities Requiring Adjustment:

- A) Duke Energy - Power: There is a static neutral transmission line that crosses over the west end bent of the proposed bridge. It has been previously de-energized. The line will require removal during construction of the proposed bridge. There are no drawings depicting this work. All work shall be completed by May 15, 2013. Contact person for Duke Energy is Mr. Mike Robinson at (980) 373-4228 (Office) or (704) 860-6963.
