TIP NO: BR-0033  
WBS: 67033.1.1  
COUNTY: MCDOWELL  
DIVISION: 13  
DESCRIPTION: Bridge # 580084 on SR 1234 over I-40

SUBJECT: **Pre-Scoping Comments**

The GeoEnvironmental Section performed a records search of readily available information for the given project study area to identify known and potential sites of concern. One (1) UST facility was identified within the project area. Refer to the attached table and figures for a list of sites of concern and their anticipated impacts.

A detailed Phase I study of the preferred alternative should be performed to field verify the hazardous waste sites and identify unknown sites. This detailed Phase I study should be included in the environmental document.
