DESCRIPTION: Bridge 850103 on NC268 over Mitchell River

SUBJECT: **Pre-Scoping Comments**

DocuSigned by:

0DA1A1D2E9DB479...

The GeoEnvironmental Section performed a records search of readily available information for the given project study area to identify known and potential sites of concern. No sites of concern were identified within the project area. If the project limit changes, please let us know, so we can reevaluate the study area.
