L. John C. Hendrix, a Professional Land Surveyor in the state of North Carolina hereby certifies to the best of my knowledge and belief that the following work items shown on this map were performed under my responsible charge and meet NC DOT Survey Standards as set forth in the NC DOT Location & Surveys guidelines and procedures. I further certify that the data compiled came from outside surveys/mapping performed by others and provided to me by NC DOT and do not certify to the accuracy or quality of the individual data sources. I further certify that the right of way and permanent easement points shown herein and outlined in the tables shown herein localized coordinates, station/offsets have been checked and are accurate representations of the right of way and permanent easement points depicted on the corresponding highway plans. I also certify that the right of way and permanent easement points shown herein have been filed monumented under my supervision from existing survey control provided by others that the depicted property data shown herein were surveyed by others and these monuments denote the right of way and easement boundaries of the line of staking which may be subject to change due to right of way revisions (see details for final determination).  
 Witness my original signature, registration number and seal this 31st day of October, 2019.
