

BICYCLING CABARRUS COUNTY

ABOUT THE MAP

Whether you wish to take a short ride, an all day trip or a longer overnight tour, all the information you need to plan your ride is shown on this map. The 200-mile system of bicycle routes highlighted on the map consists of three signed routes totaling, 155 miles, and an additional 45 miles of unsigned suggested connector routes. By combining portions of these routes, a variety of trip options can be created.

In addition to showing the bike routes, this map includes a wealth of other information. The locations of all services such as country stores, campgrounds, and restaurants are pinpointed with symbols, as shown in the legend. Towns that provide overnight accommodations, restaurants and other amenities are marked with a star. Points of interest are marked with a large dot.

All roads that are part of the route system or which cross a route are named. Busier sections of the routes, where extra caution is recommended, are clearly marked. On the road, these portions of the routes are posted with "Share the Road" signs, like the one shown below.

Enlarged inset maps of Concord/Kannapolis, Harrisburg and Mount Pleasant are included to help you navigate these areas and locate points of interest.

Enjoy your ride, but please remember to be courteous to other road users.

A NOTE OF CAUTION

The highlighted routes shown on this map follow roads of the North Carolina highway system and local streets. These roads do not include any special accommodations for bicycles, such as paved shoulders or bike lanes. Care has been taken to select more lightly traveled roads. In a few places, however, short segments of more heavily traveled roads are used to make connections where no other options exist. These areas are marked with "Share the Road" signs to alert motorists to the possible presence of cyclists on the road. The Cabarrus County bike routes are not designed to be used by children as their ability to judge traffic conditions and driver actions is not well developed.

LEGEND

- Route 1: Loop Route
- Route 2: Northern Route
- Route 6: Portion of the Piedmont Spur Route
- Greenway
- Unsigned Connector Routes
- High Traffic Areas
- Divided Highways
- Paved Roads
- Railroads
- Creeks and Rivers
- Full Service Areas
- Campgrounds
