

RICHMOND COUNTY

HOW TO USE THIS MAP

The map provides everything needed to plan your bicycle trip through Richmond County. The three bicycle routes are highlighted in blue, yellow and orange. The legend to the right indicates the symbols for points of interest, country stores, campgrounds and picnic areas. Busier portions of the routes where special care should be taken are indicated with cross-hatching. Enlargements of urban areas are provided for navigation through Rockingham, Hamlet and Ellerbe.

The three bicycle routes are marked with green and white numbered bike route signs, as shown above. "Share the Road" signs also have been placed in areas where motor vehicle traffic is heavy. These warning signs are meant to alert motorists to the presence of bicyclists and to remind drivers that bicyclists have a legal right to ride on the road. Cyclists should remember to be courteous to drivers and not block the road by riding side-by-side along these routes.

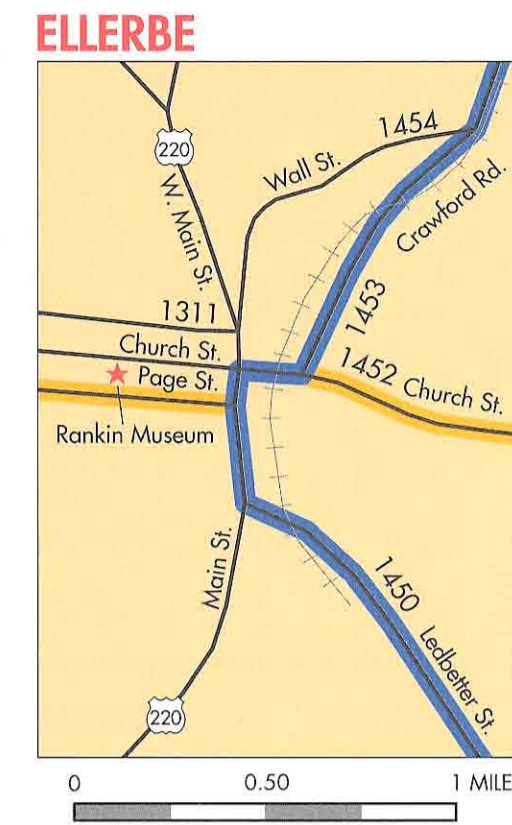

Distances between towns using bicycle routes

Rockingham	Rockingham	Hamlet	Hamlet
6	15	15	6
9	13	13	9
18	24	9	10.5
25	20.5	16	17.5
26	32	17	30
23	17	16	30
			25.6

Distances in miles. Shortcuts via connector routes have not been calculated.
