**Approval – Resolution on Project Olympus**

Upon a recommendation from the Transit, Rail and Ferry Committee, a motion was made by Board Member McRae and seconded by Board Member Betts to approve the following:

WHEREAS, The Boeing Company is seeking a location to build a facility to manufacture it's new 7E7 aircraft,

AND WHEREAS, the manufacturing concepts that will be used at this new facility are revolutionary for the company and will require demanding attention to detail regarding schedule, transportation infrastructure, permitting, training and other business assistance.

AND WHEREAS, the following news release was made by the Boeing Company.

EVERETT, May 13, 2003 – Boeing (NYSE: BA) has identified a set of 11 criteria for choosing the location for the final assembly of its proposed 7E7 passenger jet. The company said it would evaluate locations based on this set of criteria to give the program the greatest opportunity for success. Boeing has also decided that only U.S.-based locations will be considered candidates for the final assembly location.
