Approval - Project in the City of Shelby to be Included in the Federal-Aid TOPICS Program

Acting on the recommendation of Asst. State Highway Administrator Rose, a motion was made by Commissioner Dedmon that the following project be approved as part of the Federal-aid TOPICS Program. The motion was seconded by Commissioner Ellis, and unanimously carried.

Shelby  
Cleveland Co.

Project consists of a study to develop a traffic operations program for the improvement of capacity and safety on the street and highway system within the Shelby urban area. Study is to be accomplished by the State Highway Commission and a consultant to be employed by the Commission. The City of Shelby will participate in the cost of the study.

Approval - Request of Lenoir County Board of Commissioners to Officially Designate Bridge on SR 1152 over the Neuse River in Lenoir County the "Hardy Bridge"

In accordance with request from the Lenoir County Board of Commissioners, as presented by State Highway Administrator Willoughby, a motion was made by Commissioner James Smith that the Commission officially designate bridge on SR 1152, over the Neuse River, in Lenoir County as the "Hardy Bridge". The motion was seconded by Commissioner Allen, and unanimously carried.

Expressions of Appreciation by Chairman Faircloth and Commissioner Lynwood Smith

Both Messrs. Faircloth and Smith thanked Mayor Jim Melvin and the Members of the Greensboro Chamber of Commerce for the wonderful hospitality extended to the Members of the Commission and Staff during the two-day meeting in the City of Greensboro.
