

Road Naming Committee

Chairman Collier updated the Board on a bridge naming resolution that will be brought before the Board in May for approval. He also informed the Board that the Legislature has approved for US 17 through North Carolina to be named the "US Marine Corp Highway". In order to accommodate this action by the Legislature, the Road Naming Committee approved the installation of small paddle signs to the already designated "Blue Star Highway" signs on US 17. The Legislature also approved for the Yadkin River Bridge over the Yadkin River between Rowan and Davidson Counties to be named the "Yadkin River Veterans Memorial Bridge".

Adjournment

There being no further business to come before the Board, the meeting was adjourned at 10:34 a.m.
