

Fatal Crash Locations, 2nd Quarter 2016 - NC Department of Transportation

SDE Feature Class

Tags

North Carolina, Traffic Safety, Fatal Crashes, Traffic, Transportation, Fatal, Safety, Crash

Summary

The purpose of this dataset is to display the location of mileposted fatal crashes. These data are current as of April 2016 for fatal crash data maintained by the Traffic Safety Unit of the North Carolina Department of Transportation.

Description

This listing includes all fatal crashes for the time period specified [2011-2015]. However, only those crashes with a valid milepost value on a state maintained roadway will display on this map.

Credits

There are no credits for this item.

Use limitations

The North Carolina Department of Transportation shall not be held liable for any errors in this data. This includes errors of omission, commission, errors concerning the content of the data, and relative and positional accuracy of the data. This data cannot be construed to be a legal document. Primary sources from which this data was compiled must be consulted for verification of information contained in this data.
