

STIP Manager Report: Project Summary (Standard)

NCDOT STIP

The N.C. Department of Transportation's long-range transportation plan – called the State Transportation Improvement Program (STIP) – identifies the construction funding and schedule for state transportation projects over a 10-year period. NCDOT updates the STIP approximately every two years. The data-driven process to update the STIP is called [Strategic Prioritization](#). For more information, visit [NCDOT's STIP web site](#).

Project Summary (Standard)

STIP Manager provides the user with a web-based interface to view, enter, and edit data associated with the NCDOT Statewide Transportation Improvement Program (STIP). Modules are included to allow users to add and manage projects, input funding information, and to process STIP revisions through an automated workflow. Additional reporting and analysis features are included.

The Project Summary (Standard) report provides a detailed view of project information. Project Funding across the 10-year STIP window is included. Once a Revision (if applicable) is selected, additional Filter Categories and Items are available. If no filter criteria are added, the report will list all projects in the selected STIP/Revision. The Filter Category options are Project Details and Project Location. If Project Details is selected, the following Items can then be selected: Funding Program, Mode, STI Funded Category, or STIP ID. If Project Location is selected, County, Division, or MPO/RPO Items can then be selected. Following this initial Category and Item filtering, the query to determine what the Project Summary (Standard) report displays is further structured with the user selecting logical operators and values. Additional rows of criteria can be joined to the above items to formulate a more complex query for the report output.

Point of Contact

North Carolina Department of Transportation, Office of Strategic Planning and Programming
State Transportation Improvement Program Data Manager
stipunit@ncdot.gov
1 South Wilmington Street
Raleigh, NC 27601

Hours of service: 9:00am - 5:00pm Monday – Friday
