

Road Characteristics - Highway Exit, 1st Quarter 2025 - NC Department of Transportation

File Geodatabase Feature Class

Tags

Transportation, Downloadable Data

Summary

This data may be used to locate highway exits, their names and their numbers in North Carolina. The exit locations are snapped to the NCDOT LRS data and can be used in conjunction with that data for analysis or cartographic purposes.

Description

This dataset contains a current point representation of all of the grade-separated highway exit locations in North Carolina.

Credits

Spatial Data Management Group - Product creation; Data Conversion Group – System geometry, mileage, events; Local County Government – Non-system geometry

Use limitations

The North Carolina Department of Transportation shall not be held liable for any errors in this data. This includes errors of omission, commission, errors concerning the content of the data, and relative and positional accuracy of the data. This data cannot be construed to be a legal document. Primary sources from which this data was compiled must be consulted for verification of information contained in this data.

Extent

West -83.538067 **East** -76.292403
