The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources, including aerial photography, ground surveys, and other data. While every effort is made to ensure the accuracy of the information, the user assumes all responsibility for its use. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 855-8480.
