

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other reliable sources. While every effort is made to ensure the accuracy and completeness of the data, the user assumes all responsibility for any errors or omissions. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 855-8480.
