

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other reliable sources. As a result, the accuracy of the information shown on this map may vary slightly from actual conditions. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Feedback or contact us by phone at (919) 833-4480.
