
The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy represented on system maps may be less than the accuracy of the data provided will vary. This map includes state-maintained roads and numbered non-system roads.
The information shown on this map was last updated in August 2022. For additional information, visit: https://connect.ncdot.gov/resources/State-Mapping/Pages/default.aspx or contact us by phone at (919) 835-8480.
