

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, GPS data, and other public domain information. The data is not guaranteed to be 100% accurate and is provided as a service to the public. For more information, visit <http://www.ncdot.gov/Informational/Mapping/Default.aspx> and click on Data Providers or contact us by phone at (919) 855-8480.
