Map of Peachland, showing a coastal town with a railroad line, a Seaboard line, and various roads including 74, 1236, and 1240. The map also shows the location of Lanes 10,000' and a creek.

This historical map of the Pee Dee River basin in South Carolina provides a detailed view of the region's geography and infrastructure. The map is centered on the Pee Dee River, which flows from west to east through the state. The following key features are highlighted:

- Geography:** The map shows the Pee Dee River, its tributaries (Rocky River, Little Pee Dee River, Pee Dee River, and Pee Dee National Wildlife Refuge), and various creeks and branches. Towns and settlements are marked with names and population figures (e.g., Lilesville, Pop. 641; Blewett Falls Lake; Blewett Falls Dam).
- Roads and Railroads:** A dense network of county roads is shown, with route numbers and distances. Major roads include US Route 74, State Route 52, and State Route 7. A railroad line runs along the eastern side of the Pee Dee River.
- Water Bodies:** The Pee Dee River and its tributaries are the primary water bodies depicted. The map also shows the Blewett Falls Lake and the Blewett Falls Dam.
- Landmarks and Features:** Other features include the Anson County Airport, the Pee Dee National Wildlife Refuge, and various creek names like Wightman's Creek, Cedar Hill Creek, and Pleasant Hill Creek.
- Inset Maps:**
 - Lilesville:** An inset map showing the town's layout and surrounding roads.
 - Blewett Falls Lake:** An inset map showing the lake's shape and adjacent roads.
 - Key to County Road Numbers:** An inset map in the bottom right corner providing a key for the county road numbers used in the main map.
- Coordinates:** Latitude and longitude lines are present, with major markers at 34°55' N, 35°00' N, 35°05' N, 35°10' N, and 35°15' N, and 80°00' W, 80°10' W, 80°20' W, and 80°30' W.

SCALE

A scale bar with two horizontal lines. The top line is labeled "4 MILES" at the right end and has tick marks at 0, 1, 2, 3, and 4. The bottom line is labeled "1 MILE" at the right end and has tick marks at 0 and 0.5. The segments between the tick marks are divided into smaller, unlabeled increments.
