

The MS&U's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, roads and other features may not always be shown in the exact location or with the exact dimensions as they appear in reality. The MS&U is not responsible for any errors or omissions. For additional information, visit <http://www.ncdot.gov/transportation/MS&U> and click on Data Providers or contact us at (819) 835-8480.
