

The MS&T's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other data. As a result, some features may not be shown or may be shown in a different location than they appear in reality. The MS&T is not responsible for any errors or omissions. For additional information, visit <http://www.ncdot.gov/transportation> and click on Data Providers or contact us at (919) 855-4400.
