

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of collection. If map data is not current, the accuracy of the map may be affected. The map is not a substitute for a survey. For more information, visit <http://www.ncdot.gov/Travel/Informational> and click on Data Providers or contact us by phone at (919) 835-8480.
