

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other data. The accuracy of the information is dependent on the accuracy of the data provided to the Mapping Section. The Mapping Section is not responsible for any errors or omissions in this map. For additional information, visit our website at <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 835-8480.
