

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other data. The accuracy of the information shown on this map is dependent on the accuracy of the data provided. For additional information, visit <http://www.ncdot.gov/transportation/mapping/>, and click on Data Providers or contact us by phone at (919) 855-8480.
