The MS&J's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources and is not guaranteed to be 100% accurate. As a result, there may be some inaccuracies in the data provided. MS&J's includes state, local, and federal roads and important non-system roads. Users are advised to verify critical information, such as road names, directions, and distances, with other sources. For additional information, visit [www.msandj.com](http://www.msandj.com) and click on Data Providers or contact us at (919) 535-5484.
