

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other available data. The accuracy of the information is dependent on the accuracy of the source data. This map is not intended for use as a legal document. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 835-8480.
