The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy of individual features may vary. Please contact your Division Office to report inaccuracies or for more information about important non-system roads.
This map is updated annually and this map was last updated in January 2024. For additional information, visit http://www.ncdot.gov/travel/mapping/ and click on Data Providers or contact us by phone at (919) 814-4840.
