The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources with varying dates of publication and map accuracy standards. As a result, the accuracy and currency of this map cannot be guaranteed. Please contact the appropriate Division Office to verify important current conditions. The roadway data was last updated in January 2024. For additional information, visit http://www.ncdot.gov/mapping/maintenance/ and click on Data Providers or contact us by phone at (919) 814-8480.
