

The MS&U's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources and is subject to change. As a result, the MS&U's maps may not reflect the most current information and important non-system roads.

MS&U's maps were last updated on November 2015. For additional information, visit <http://www.ncdot.gov/MS&U/MS&UHome.aspx> and click on Data Providers or contact us at (919) 835-6400.
