

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from a variety of sources including aerial photography, ground surveys, and other data. The Mapping Section is responsible for the accuracy of the data and the quality of the map. The Mapping Section is located at the following address: <http://www.ncdot.gov/transportation/mapping>. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 855-8480.
