The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other reliable sources. The accuracy of the information is dependent on the quality of the data and the methods used to process it. The information is provided as a service and is not intended to be used for legal purposes. For more information, visit <http://www.ncdot.gov/transportation/operations/mapping> and click on Data Providers or contact us by phone at (919) 855-8480.
