The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from a variety of sources, including aerial photography, ground surveys, and other data. The data is processed and compiled into a digital format. The data is then used to create maps. The data is subject to change and is not guaranteed to be 100% accurate. For additional information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Providers or contact us by phone at (919) 855-8480.
