

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources including aerial photography, ground surveys, and other data. The accuracy of the information is dependent on the accuracy of the data sources. The information is provided for informational purposes only and should not be used for any other purpose. For more information, visit <http://www.ncdot.gov/transportation/mapping> and click on Data Provider or contact us by phone at (919) 855-8480.
