

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from numerous sources including aerial photography, ground surveys, and other reliable sources. Accuracy cannot be guaranteed for all areas. The mapping section is not responsible for any errors or omissions. Important non-system roads are shown with a dashed line. For additional information, visit <http://www.ncdot.gov/infomaterial/mapping/> and click on Data Providers or contact us by phone at (919) 833-8480.
