

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources, including aerial photography, ground surveys, and other data. The accuracy of the information is dependent on the quality of the data and the methods used to process it. For additional information, visit <http://www.ncdot.gov/levelofdetail.asp>, and click on Data Providers or contact us by phone at (919) 855-8480.
