

The Mapping Section's goal is to provide the most accurate and current information possible. Map data is compiled from various sources, including aerial photography, ground surveys, and other data. The accuracy of the map is dependent on the accuracy of the data used to create it. This map contains information that is not intended to be used for legal purposes. For more information, visit <http://www.ncdot.gov/transportation/mapping>, and click on Data Providers or contact us by phone at (919) 835-6480.
